

“The Spirit of the Sovereign LORD is on me, because the LORD has anointed me to proclaim good news to the poor. He has sent me to bind up the brokenhearted, to proclaim freedom for the captives and release from darkness for the prisoners...” Isaiah 61:1

Gather with your family or small group and discuss Sunday’s message with the following questions to guide your conversation:

1. What did you hear in today’s sex trafficking message, that opened your eyes to something you’ve not seen before?
2. How has your perspective been changed as a result?
3. What actions will you commit to follow Jesus in helping to provide freedom for the captives and release from darkness for the prisoners? (see list below for ideas)
4. Take time to pray together for those who are enslaved and bound by this darkness. And pray for an acute awareness in our church, city, nation and world of the connection between pornography and sex trafficking in order that it may be eradicated.
